ENDING LOOK - 'FIREBIRD' SIDE

SET OVERVIEW - FEWER PROPS OPTION

OPENING LOOK - 'BLACKBIRD' SIDE

ENDING LOOK - 'FIREBIRD' SIDE

# MAIN PROP IDEA: 2-SIDED FEATHERS

SIMPLE CONSTRUCTION OF COROPLAST [CORRUGATED PLASTIC] FEATHERS, ONE SIDE BLACK, THE OTHER BRIGHT 'FLAME' COLORS, AROUND A WOODEN UPRIGHT WITH A HEAVY BASE

IN OPENER & BALLAD, BLACK SIDE SETS MOOD, CONNECTS TO 'BLACKBIRD' MUSICAL MOTIF - FOR BIG MOMENT OF CLOSER, TURN TO OPPOSITE SIDE AND RADICALLY CHANGE THE MOOD OF THE FIELD - HUGE VISUAL IMPACT - 'BLACKBIRD' BECOMES 'FIREBIRD'

NUMBER OF PROPS CAN BE CHANGED TO MEET NEEDS OF BUDGET - WE CAN PROVIDE PRINTED AND CONTOUR CUT COROPLAST VERY QUICKLY, AND WE CAN PROVIDE BLUEPRINTS FOR THE STAND/BASE IF NEEDED FOR $150.

THE COROPLAST FOR EACH PROP IS $68 + SHIPPING - OTHER MATERIALS WILL VARY IN YOUR AREA BUT SHOULDN'T BE VERY HIGH

OPTIONAL SIDELINE SCREEN

NOT NECESSARY FOR THE SHOW TO WORK, BUT ALWAYS HELPFUL FOR GUARD TRANSITIONS - IMAGERY CONNECTS ESTABLISHES THEME & MOOD RIGHT AWAY FOR AUDIENCE

IN THIS PARTICULAR SHOW, THIS WOULD BE A GREAT PLACE FOR THE LAST, BRIGHTLY COLORED SILKS TO ERUPT FROM, RUNNING BACK & 'CAUSING' THE BLACK FEATHERS TO RIPPLE TURN FROM BLACK SIDE TO FLAME-COLORED SIDE

DIMENSIONS HERE ARE BASED ON USING 4 OF THE CORPS DESIGN FCSL75 MODEL, FOR WHICH WE ARE DEALERS, BUT WE CAN ADJUST AS NEEDED TO OTHER SIZES, OR TO HOMEBUILT SCREENS. ALSO, WE HAVE BLUEPRINTS AVAILABLE FOR SIMPLE, DIY FRAMES FOR $150.

FOR THE DIMENSIONS SEEN HERE, THE VINYL WOULD COST $262.50 + SHIPPING.
