Staging Area

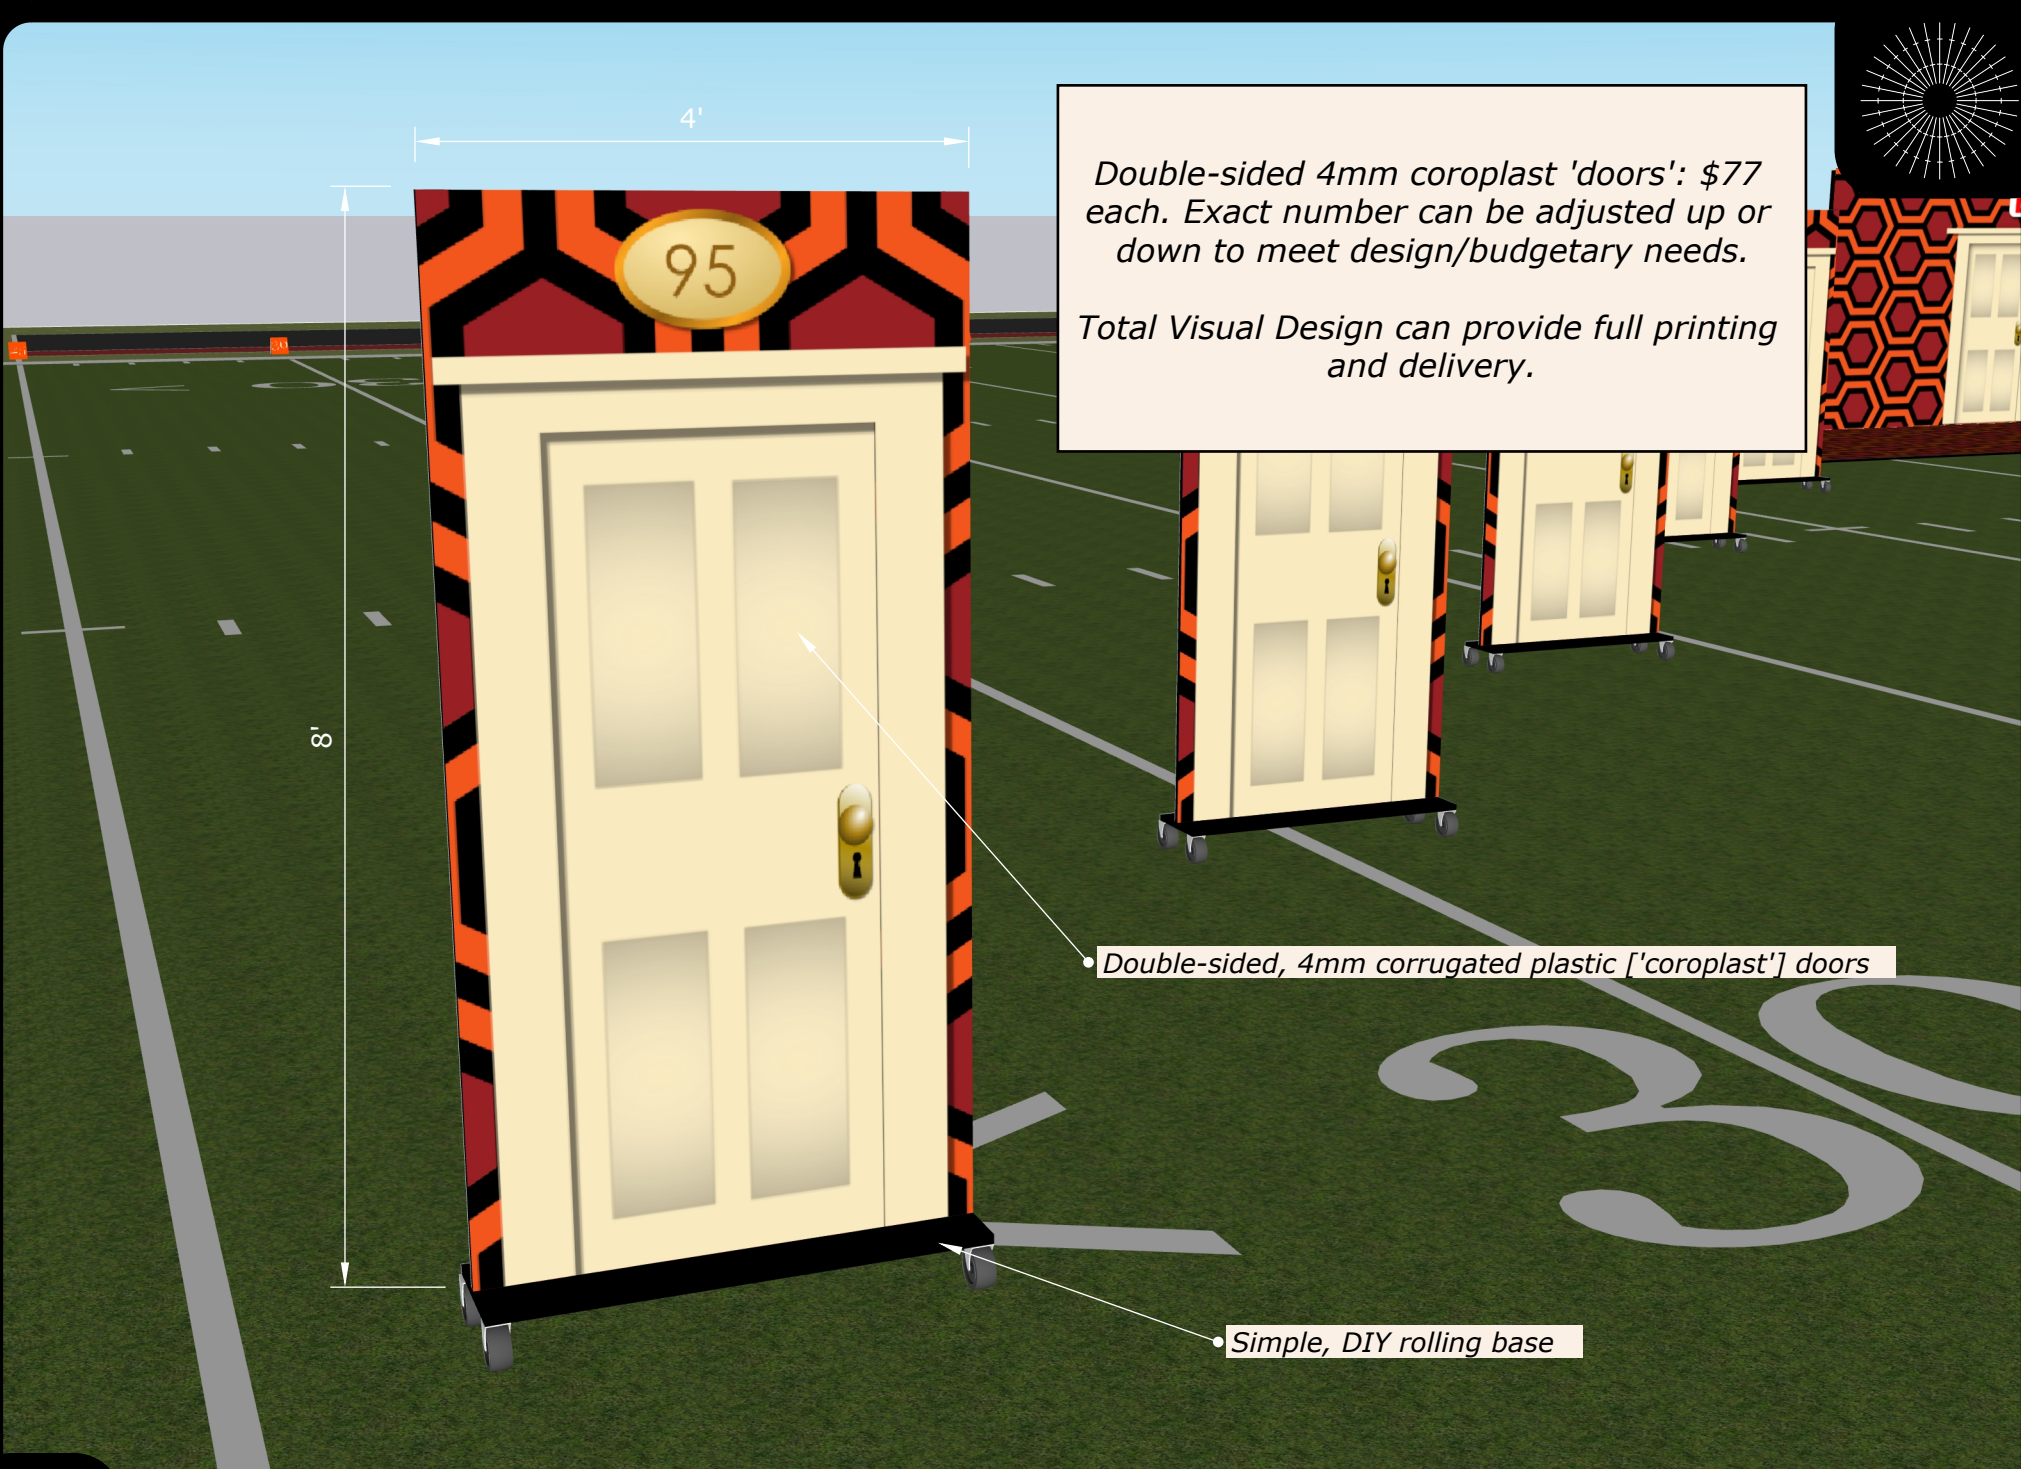

Note: Prices are based on exact sizes shown, but sizes can be adjusted up or down to meet design or budgetary needs.

Total Visual Design can provide full printing and delivery.

Double-sided 4mm coroplast 'doors': \$77 each. Exact number can be adjusted up or down to meet design/budgetary needs.

Total Visual Design can provide full printing and delivery.

• *Double-sided, 4mm corrugated plastic ['coroplast'] doors*

• *Simple, DIY rolling base*

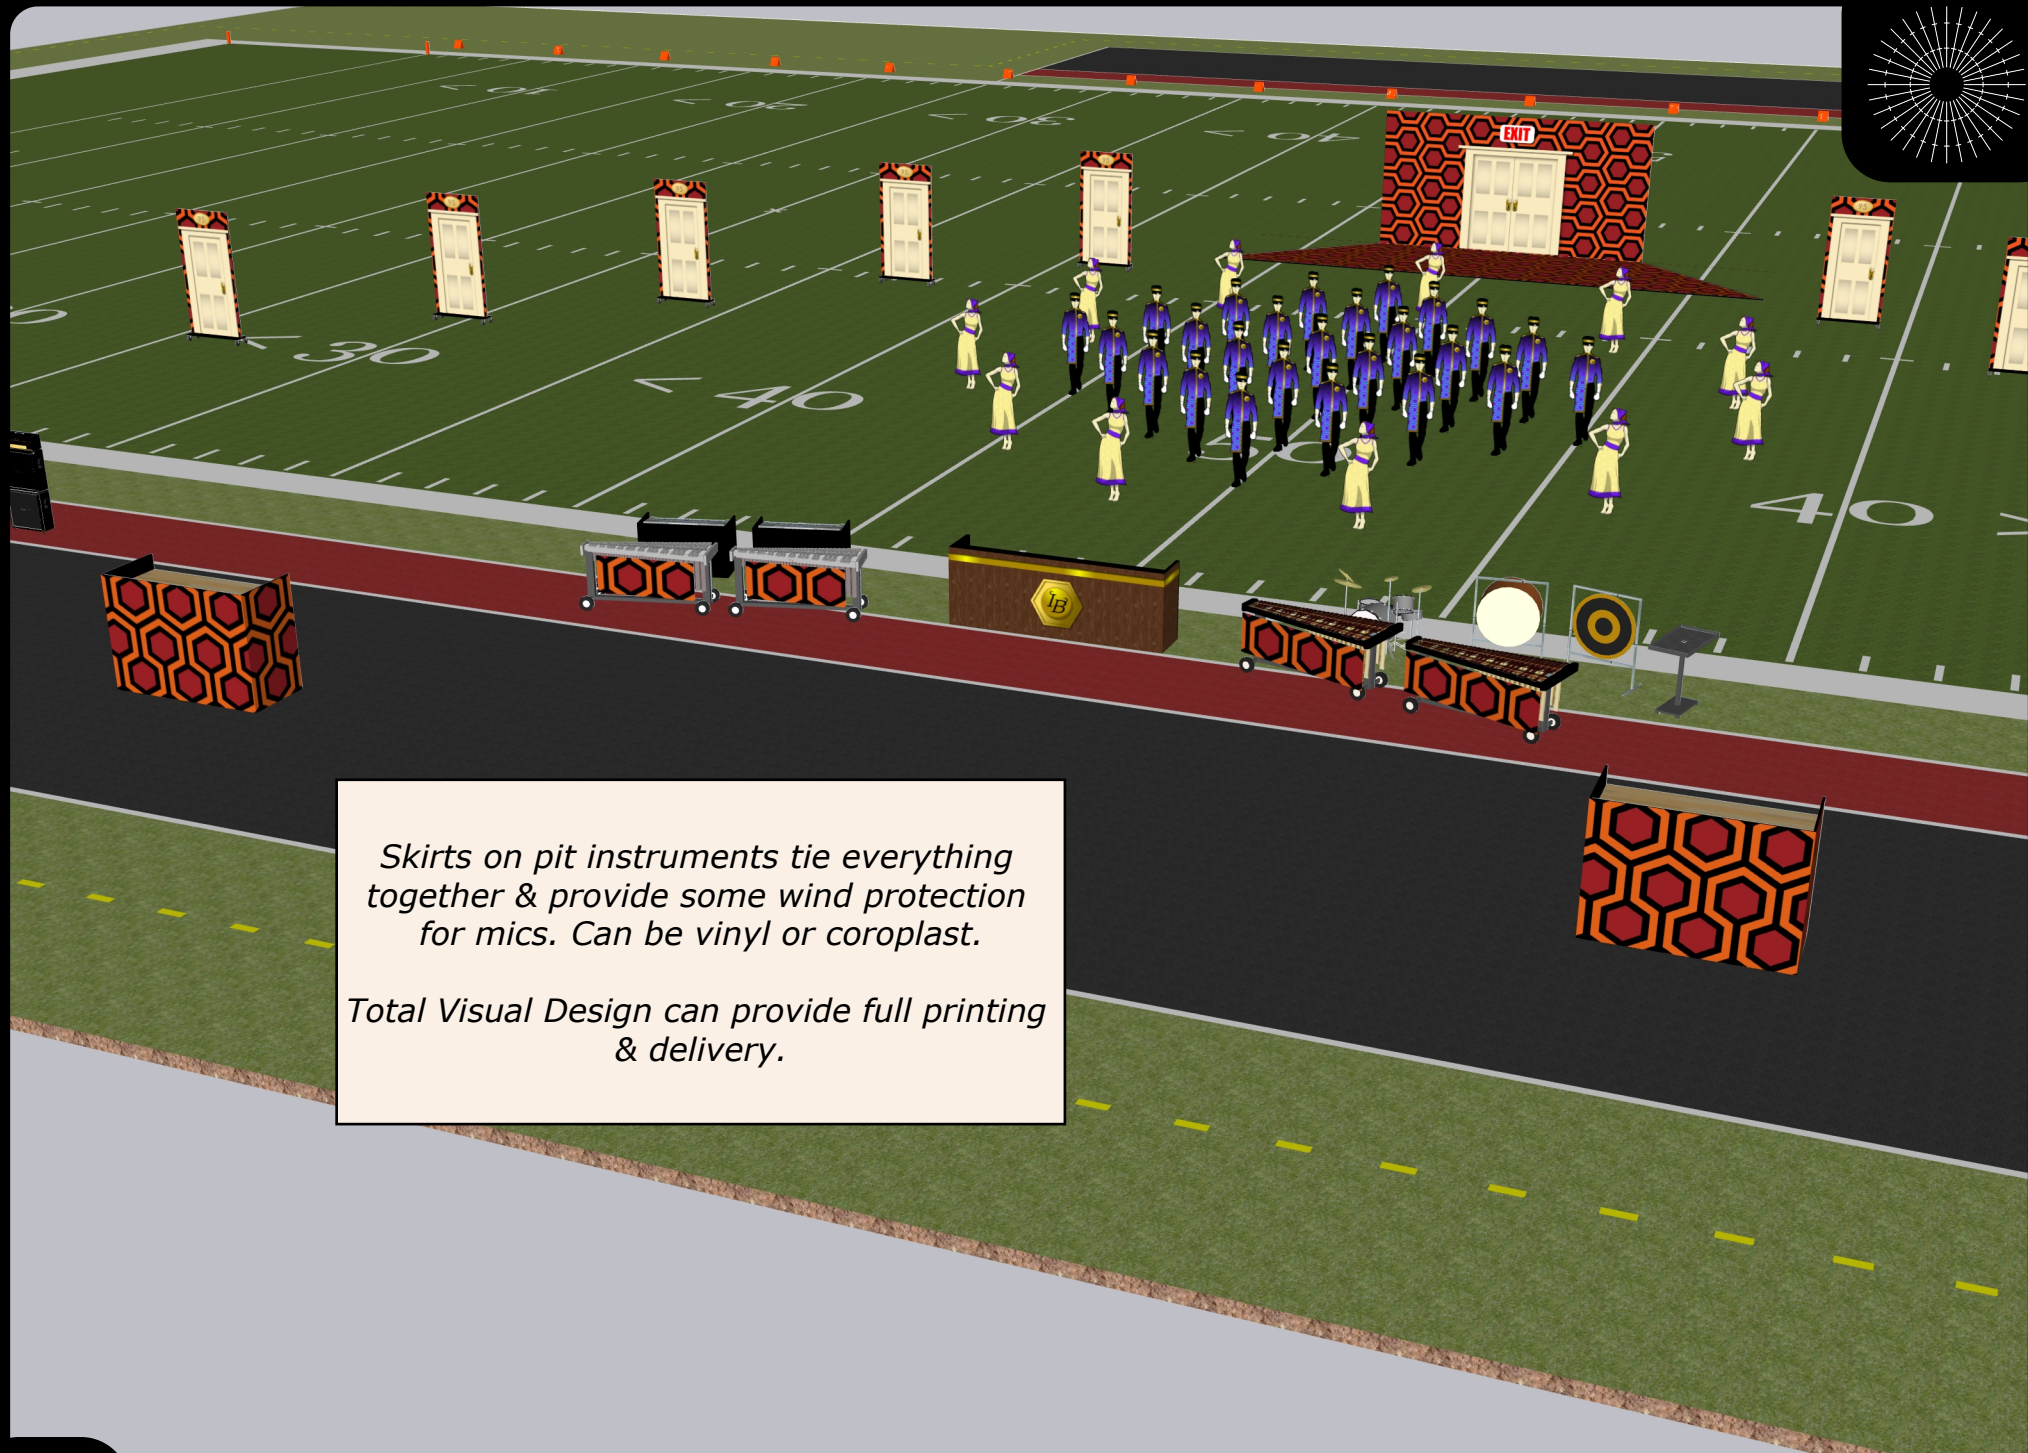

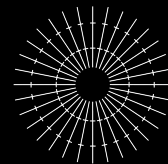

Custom printed vinyl over simple, DIY box frame.

Excellent staging point for soloist microphones

10'-0"

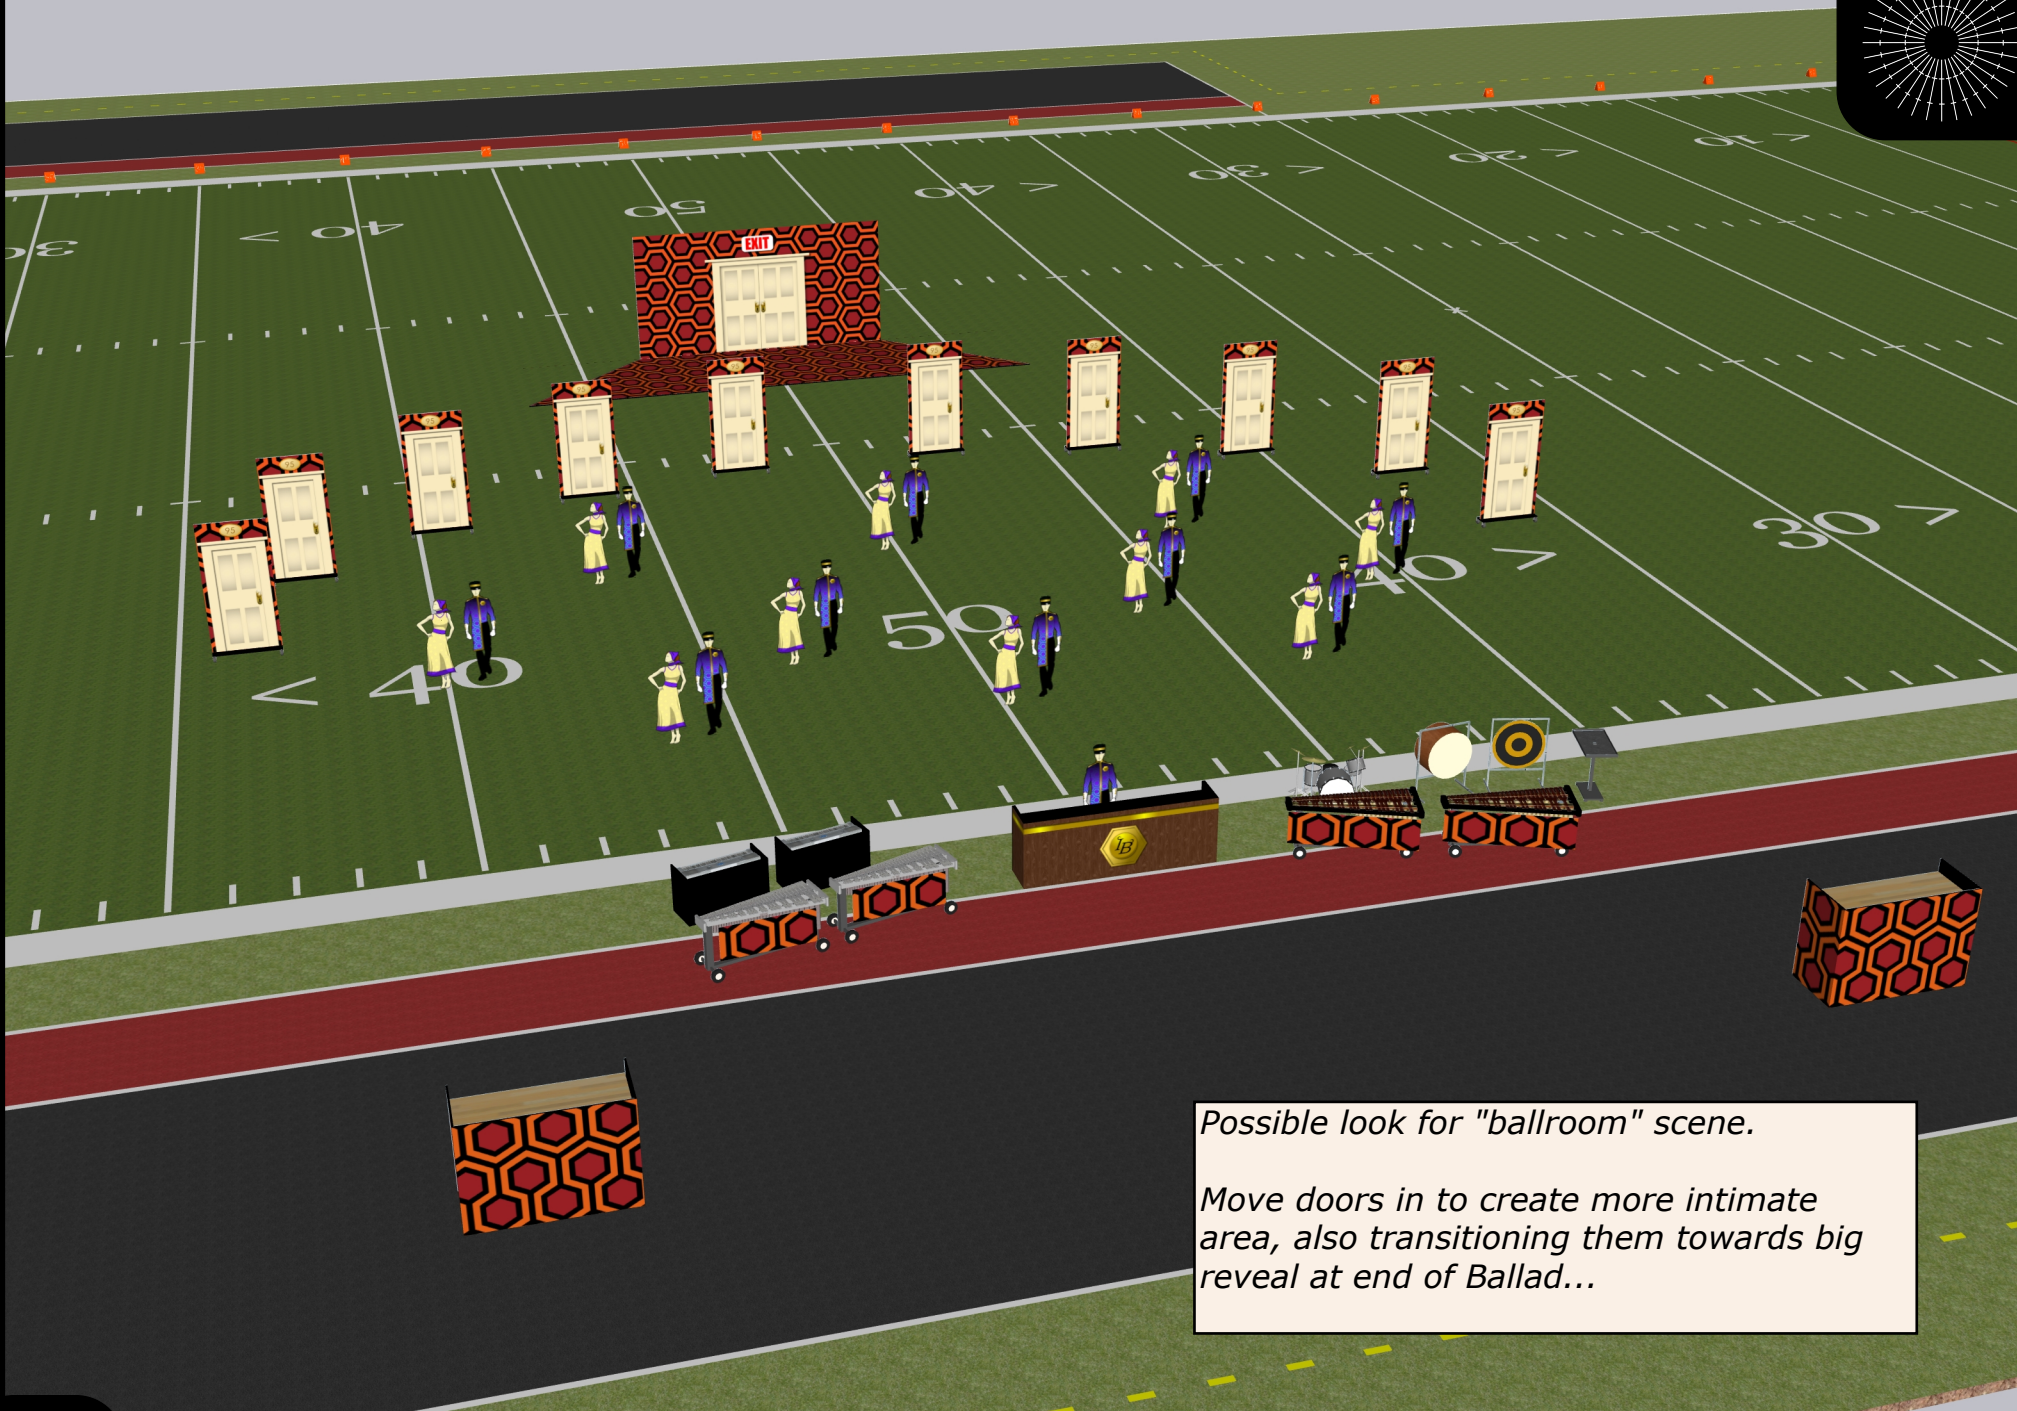

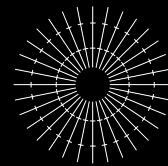

3'-7"

Total Visual Design can provide full printing and delivery.

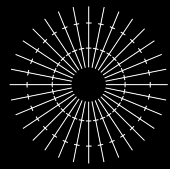

Skirts on pit instruments tie everything together & provide some wind protection for mics. Can be vinyl or coroplast.

Total Visual Design can provide full printing & delivery.

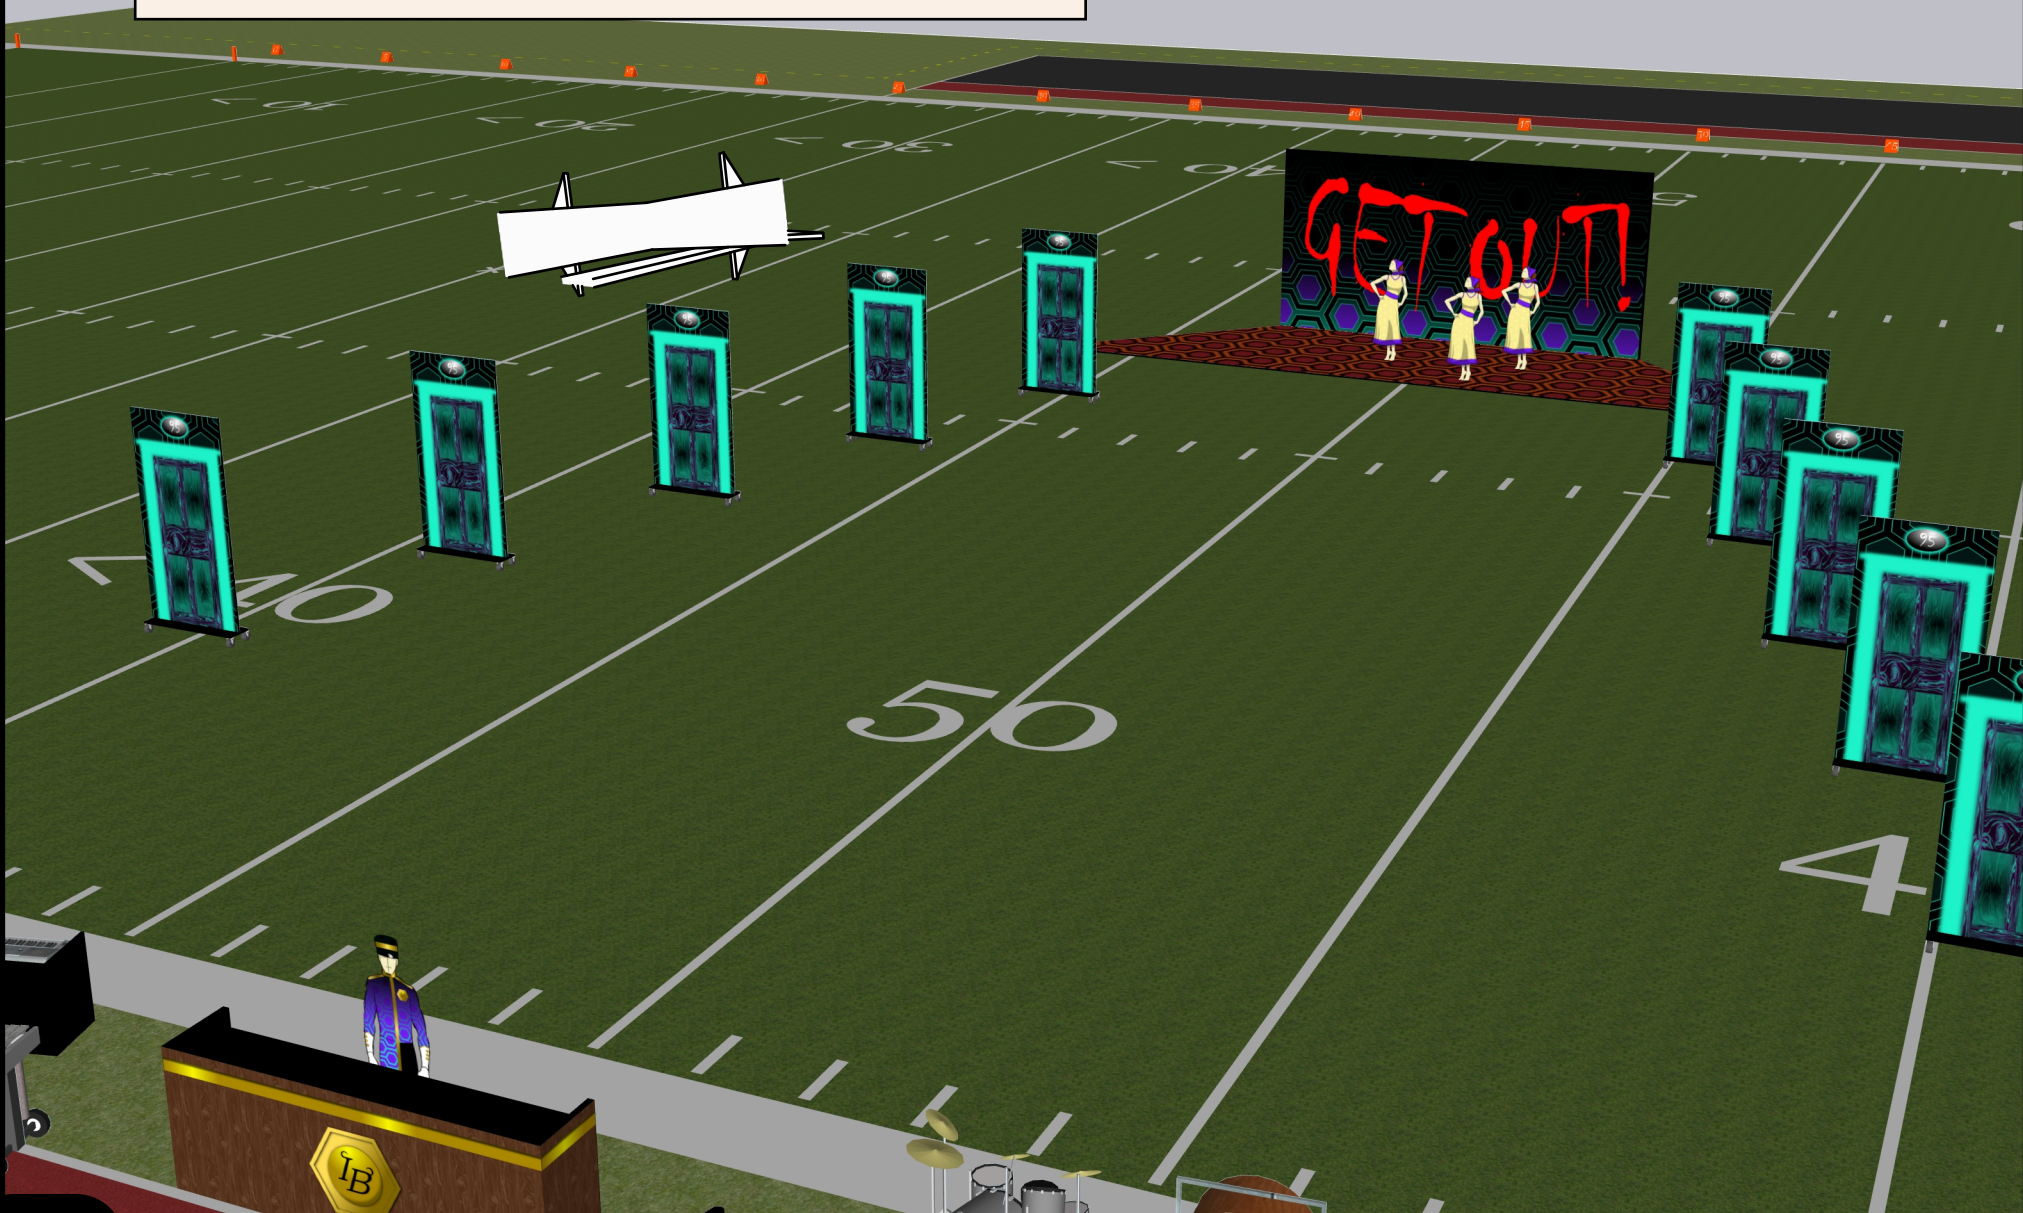

Possible look for "ballroom" scene.

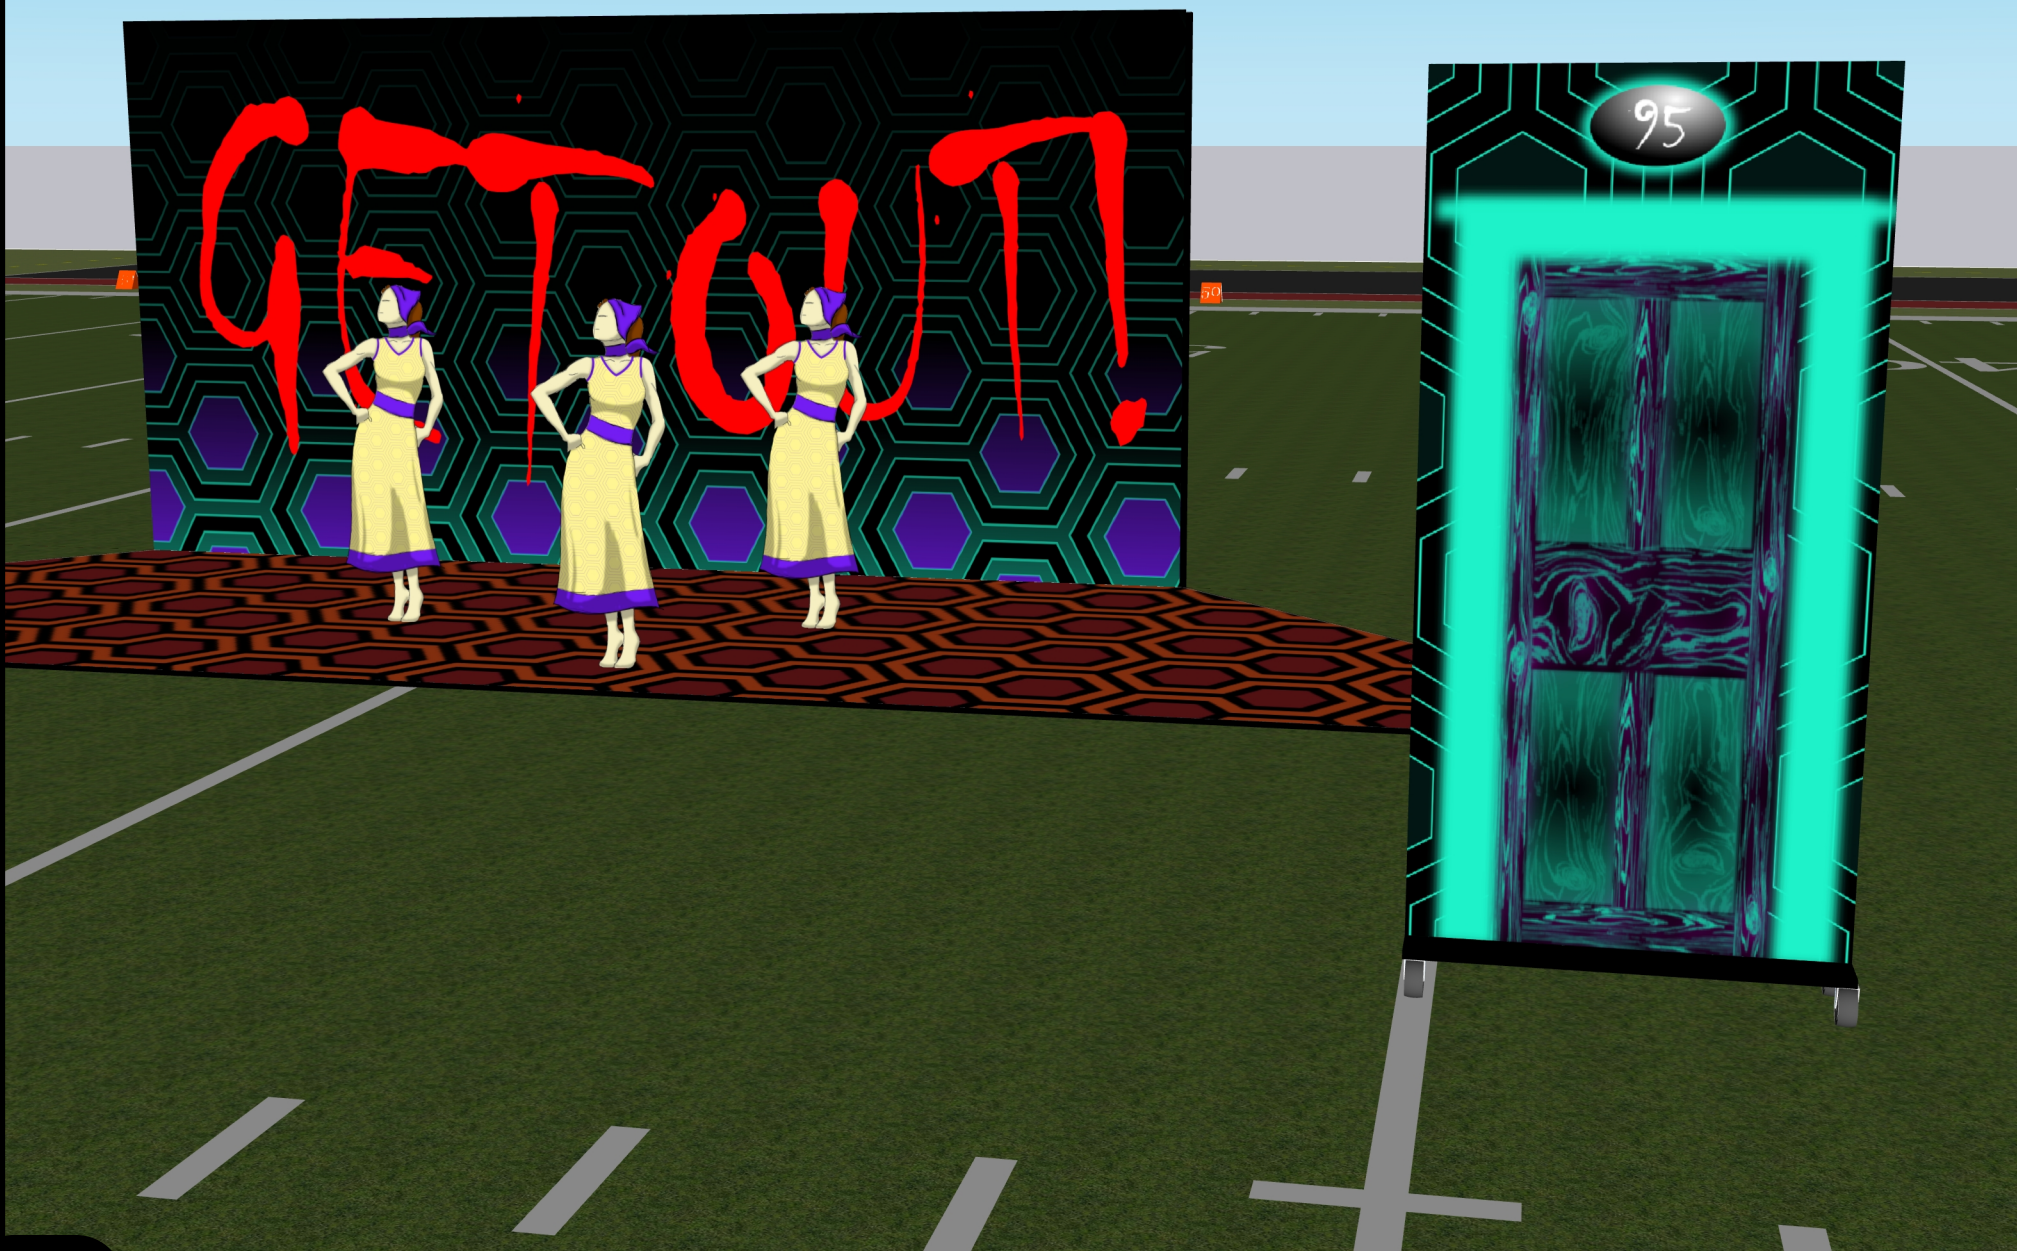

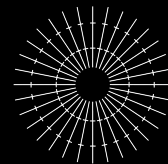

Move doors in to create more intimate area, also transitioning them towards big reveal at end of Ballad...

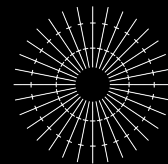

*End of ballad, guard 'guests' get nervous, doors ripple
turn to scary side as guard runs to 'Exit'...*

Only for the 'Get Out!' graphic to fall just as they arrive

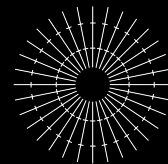

Drill weaves around and between doors as guard tries to escape. Guard eventually backs up against doors in fear... which turn with them to end the show and bring us back to where we began.

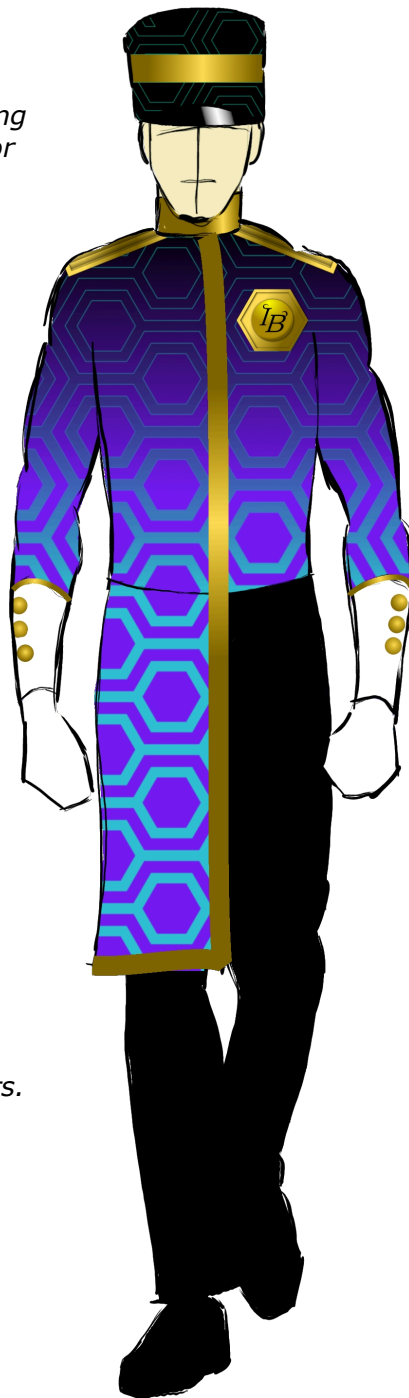

New hatslip over existing shako with no plume for 'bell hop' look

Faux epaulets, collar, gold piping, IB logo, and cuffs give 'Mid Century Luxury Hotel' vibe

Hexagon pattern in complementary colorway references set design

Existing bibbers.

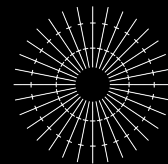

DPG Hatslip

****5 weeks turn time****

DPG Standard Top, Mock Neck, Full Sleeve, with Half Drop

****8 weeks turn time****

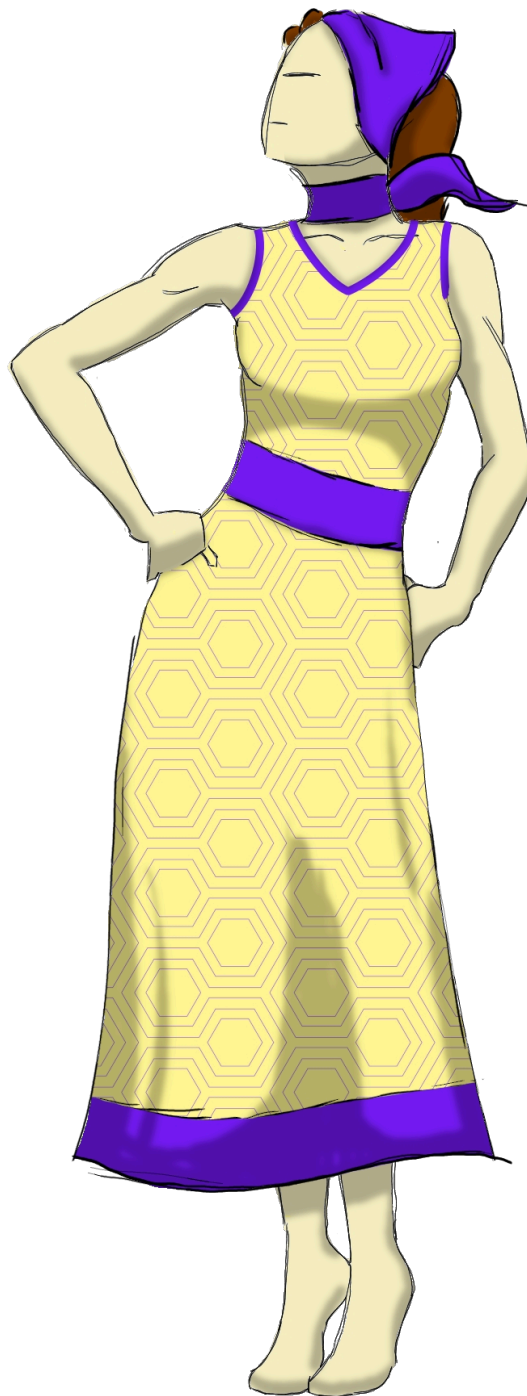

Total Visual Design can provide full production & delivery.

1950s or 60s, middle class lady on vacation.

Color palette complements musicians while also standing out from them

Skirt adds tons of color and visual motion to drill, even when not spinning.

Optional: add purple head and/or neck scarves to complete look.

Subtle hexagon motif from props, musician costuming foreshadows show ending.

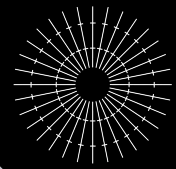

DPG Guard Dress, Sleeveless, V-Neck

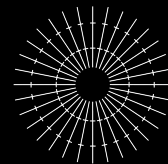

****9 weeks turn time****

Total Visual Design can provide full production & delivery.

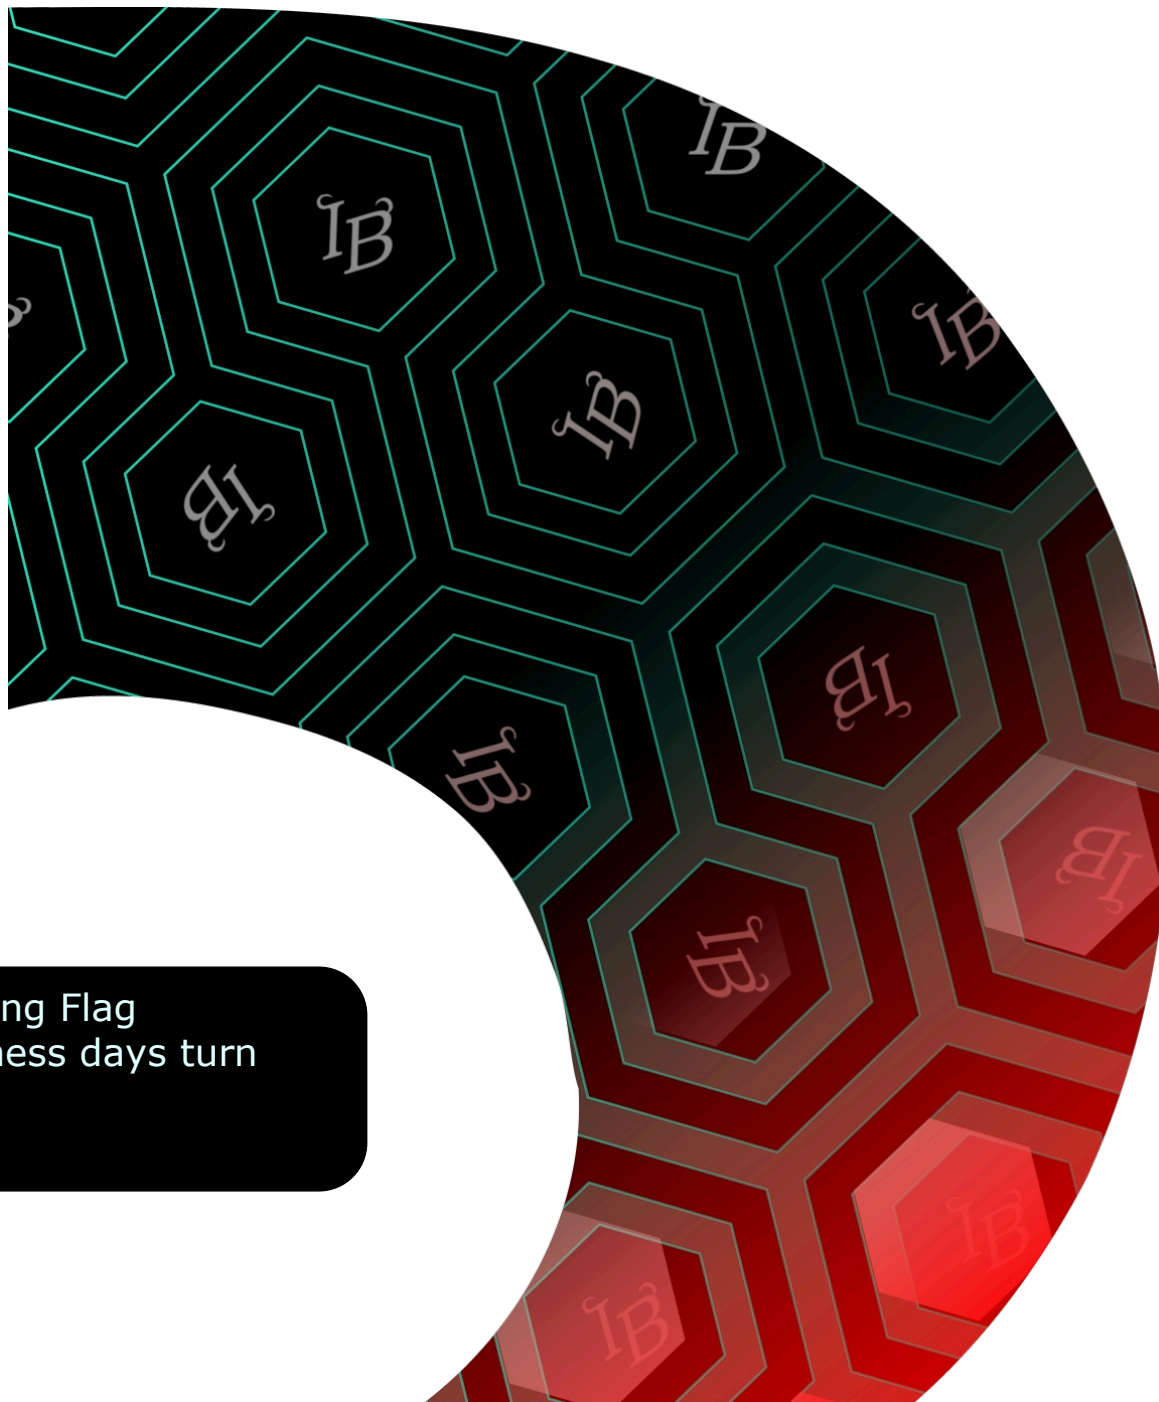

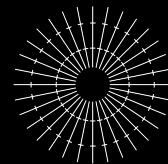

On the field, guard and musicians work together while maintaining distinct identities for drill clarity.

Both stand out from the orange & red backdrops while not clashing with it.

Notes on Products

Flags & Costumes

Sourcing We partner with Digital Performance Gear [DPG], a leader in the industry, for all flags & costumes.

"Mini" For costumes, DPG will send a 'mini' version of the uniform to the director's home address for final approval of colors. This is the last approval before a costume may go to production.

Turn Times The listed turn time for your design is the estimated length of time from when your design goes to production until it is shipped.

Terms **IMPORTANT:** a flag or costume cannot go to production until the design has had final approval AND we have received either a 50% down payment OR a school approved Purchase Order. Flags & costumes cannot ship without the remaining 50% paid, or an approved school Purchase Order. Purchase Orders should be paid within 30 days of delivery.

Props

Sourcing For printed vinyl & coroplast props, we partner with a 3rd party printer noted for their unbeatable price point, print quality and ship times.

For prebuilt props such as sideline screens, backdrops & staging, we partner with Corps Design, the undisputed industry leader.

Blueprints For more complex or unique props, Elite Marching can have construction blueprints created. Pricing varies based on complexity, from \$500 to \$1000. Blueprints are delivered via PDF.

Turn Times For printed vinyl & coroplast products, ship times are VERY fast--as little as 3-5 business days. For prebuilt props, ship times vary widely depending on the time of year & in-stock availability--as little as 1-2 weeks, or as much as 10 weeks.

Terms **IMPORTANT:** Corps Design props cannot go to production until we have received either a 50% down payment OR a school approved Purchase Order, and cannot ship without the remaining 50% paid, or an approved school Purchase Order. Printed vinyl & coroplast products may ship with either a 100% up front payment, OR an approved school Purchase Order. Purchase Orders should be paid within 30 days of delivery.
